MDIS
Management Development
Institute of Singapore

ABOUT MDIS

Vision

The choice for lifelong learning with global recognition.

Mission

An institution that maximises the future readiness of individuals and organisations through globally recognised and competency-based programmes.

Core Values

The acronym for MDIS' core values is **LEARN**.

- L:** Lifelong Learning - We embrace **lifelong learning**.
- E:** Excellence - We strive for **excellence** in customer care.
- A:** Ability-driven - We offer **ability-driven** education and training.
- R:** Responsibility - We take utmost **responsibility** in ensuring high quality programmes.
- N:** Nurture - We **nurture** talents for the new economy.

Culture

MDIS embraces a culture of lifelong learning to nurture and maximise the potential of our stakeholders.

Management Development Institute of Singapore (MDIS)

Founded in 1956, the Management Development Institute of Singapore (MDIS) is Singapore's oldest not-for-profit professional institute for lifelong learning. MDIS has two main subsidiaries: Management Development Institute of Singapore Pte Ltd which oversees its Singapore academic operations, and MDIS International Pte Ltd which focuses on MDIS' globalisation strategy.

MDIS offers internationally-accredited courses in Business and Management, Engineering, Fashion and Design, Health and Nursing, Information Technology, Languages and Education, Life Sciences, Media and Communications, Psychology, Tourism and Hospitality Management, and Safety and Environmental Management. These programmes are offered in collaboration with renowned universities in the United Kingdom.

MDIS is EduTrust certified, attesting to its exemplary education and business excellence standards. The institute was first awarded the certification in 2010 – subsequently renewed for four years in 2014 and 2018. MDIS was also one of the first Private Education Institutions (PEIs) to be registered under the Enhanced Registration Framework.

The institute achieved a double win at the Singapore Prestige Brand Award (SPBA); it was one of four winners as well as the overall winner of the SPBA - Heritage Brands 2018. In 2017, MDIS was ranked 4th for the Enterprise 50 Award for its contributions in spurring Singapore's economy. In 2019, MDIS had successfully transitioned from Singapore Service Class to Singapore Quality Class (Service) and is honoured to be one of the winners for the Corporate Merit Award at the Biennial Singapore Health Award.

Continuing with its long-standing tradition of giving back to society, the MDIS Education Trust Fund (inaugurated in 1999) supports deserving students facing financial difficulties in pursuing their education in Singapore. To date, MDIS has awarded more than 8,000 scholarships and bursaries totalling over S\$6 million. The institute also actively supports several charities and provides community assistance, in reaching out to the young, elderly, and disabled.

Equally vested in corporate-level training, MDIS' corporate training arm, the Management Development and Consultancy, was set up in 1995 to cater to the training needs of the workforce. In 2014, MDIS acquired the Service Quality Centre to diversify its offerings in training solutions – in its endeavour to be a premium provider of training solutions in the region.

Apart from the main Singapore campus, MDIS has international campuses in Tashkent, Uzbekistan, as well as in Johor, Malaysia. MDIS also has representative offices in China, India, Indonesia, Sri Lanka, and Thailand, as well as agents throughout Southeast Asia.

MDIS FACILITIES

MDIS prides itself on a long-standing history of providing education and training services to the nation. Its S\$35 million campus in Stirling Road occupies a three-hectare land boasting well-equipped classrooms, five computer laboratories, four life sciences laboratories, four engineering laboratories and workshops, three fashion studios, a psychology laboratory, a hospitality training centre, a media hub (TV and radio studios), a nursing practicum laboratory, as well as a bakery and culinary studio. The campus also has an amphitheatre to house art performances and other events, as well as fully-equipped sports facilities including a gymnasium and badminton courts.

Vested with a technologically-competent and future-ready ethos, MDIS' campus is Wi-Fi enabled, powering campus-wide online access. Through the Blackboard Learning System and video streaming technologies, readily accessible learning resources augment student's learning experiences anytime, anywhere.

To serve students better, MDIS' presence extends to an additional training centre, MDIS Dhoby Ghaut, at Orchard Road.

MDIS INTEGRATED CAMPUS

The S\$80 million **MDIS Residences@Stirling** is the very first hostel in Singapore to be awarded the Green Mark Gold^{Plus} Award. With 15-storeys, the hostel consists of 782 air-conditioned rooms, 14 suites, a 500-seater auditorium, and a cafeteria. The eco-friendly **MDIS Residences@Stirling** can accommodate some 1,700 tenants and is fully-integrated so that students can live, learn, and play in an interactive and conducive environment.
