Admission

New admission process: We have updated the ILAC College admission process in order to expedite the experience and increase response time. We will only request an interview if the student does not meet a pre-requisite level in the online test. Otherwise, the student will be **accepted directly** without the need for an interview.

- 1** Access www.ilaciac.com/English-test and fill out a form with the name and e-mail of the student and agent. We will send the token for the Cambridge online test (<https://www.metritests.com/metrica/>) for both emails in **one business day or less**.
- 2** Submit the [Application form](#) and required documents. There are two ways to send them:
 - Apply online www.ilaciac.com/application-form (in the form, there are instructions for uploading documents.)
 - Send the PDF application as an attachment to charlotte.saal@ilaciac.com
- 3** Once the student takes the **English test online**, we will determine whether or not they will be accepted directly into the program. If the student does not meet the pre-requisite level in the Cambridge test, an **interview** with the student will be requested.
- 4** We will request the student's documents (a copy of their passport and high school diploma – Vancouver only) and payment of the application fee, and send invoices and the LOA.

Toronto only:
