

ENGLISH

Certificate in English

Programme Overview

The Certificate in English programme will allow students to build a solid English language foundation. This will enable them to efficiently communicate in vocational, casual and academic environments. In this programme, we emphasise verbal communication, writing, reading, and listening, as well as building strong grammatical skills. Classes are designed strategically, such that students have many opportunities to have open conversations with their classmates or lecturers.

Programme Levels

- Beginner
- Elementary
- Pre-Intermediate
- Intermediate A
- Intermediate B
- Upper Intermediate A
- Upper Intermediate B
