Notes

- In 2024, Domestic and International fees for all programs will increase by approximately 3%, resulting in a \$75 per subject increase, except for the ELPP and HDR programs, which will see a \$150 per level/subject/program increase.
- This adjustment is in response to several factors, including the risk of a recession, an increase in GST, and high core inflation, all of which significantly influence students' decisions to study in Singapore.
- Domestic Fees are only applicable to all Singapore residents (Singapore Citizens, Permanent Residents and all pass holders excluding those holding a Student Pass).

\* The fee calculation is based on 11 subjects at the subject fee for the Pre-University Foundation Program and 1 subject at the fee for ELPP Level 3.

\*\* Diploma of Higher Education (Majoring in Business Studies) or Diploma of Higher Education (Majoring in Information Technology).
