

Learning Today for Careers Tomorrow

Singapore Institute of Management

WELCOME MESSAGE

Professor Jorg Bley

Provost

SIM Global Education

“ Welcome to SIM Global Education — your global campus, bringing together internationally recognised universities from Australia, Canada, and the UK.

At SIM GE, we empower our students to learn with confidence, thrive across different stages of life, and stay future-ready. In a vibrant, multicultural learning environment, you will gain both academic and technical knowledge, and essential soft skills such as effective communication, collaborative teamwork and adaptive resilience — skills that employers value in a rapidly changing world.

Your journey extends well beyond the classroom. You will be part of an active and engaging student life, supported by wellness and student care services that prioritise your physical, mental and emotional wellbeing. Our dedicated career services team works closely with you through career coaching, industry engagement and networking opportunities to help you translate learning into real-world success.

Join us on a journey of growth that is dynamic, supportive and transformative; one that prepares you not just for a career, but to make a difference in a world that never stands still.

”

WHY PURSUE A POSTGRADUATE PROGRAMME?

Pursuing a postgraduate programme with SIM is a transformative educational journey, integrating academic excellence with real-world relevance.

With a commitment to your personal growth, SIM collaborates with top-ranked university partners to offer postgraduate qualifications that are recognised in Singapore and around the world.

The programmes foster critical thinking, leadership skills, and industry-specific knowledge, empowering you to excel in a VUCA (volatile, uncertain, complex, and ambiguous) global environment.

Beyond obtaining the qualification, you can benefit from:

- Gaining specialised knowledge for career switch or advancement
- Networking with professionals or experts in your field
- Research opportunities for further academic pursuits
- Increasing competitiveness in a constantly evolving industry

EMBARK ON AN ENRICHING ACADEMIC JOURNEY

BY EXPLORING OUR DIVERSE
POSTGRADUATE PROGRAMMES
